LIGHTS OUT™

VOLUME 8 :: MYUNG-JIN LEE

*This is my debut work,
Lights Out! Just so you
know, the original title is
An Evening Something
Wonderful May Happen!*

*After ten years, we're putting
it in the spotlight again. Like
presenting a face without any
makeup, I would like to present
to you Lights Out just as it was
10 years ago...sorts and all.
Kind of embarrassing, but I hope
you enjoy it.*

*Myung-Jin Lee
April, 2002*

LAST VOLUME I
GAVE GUN A LESSON
HE'LL NEVER
FORGET.

HE'S
NOT A
TEACHER'S
PET.

Story So Far...

LIGHTS OUT

Actually, Gun's teacher was about the only woman who **WASNT** trying to hook up with our hero last volume. Gun's return to the Lucky Residence and Northern Art High School stirred up emotions in his friends, but that was nothing compared to what it stirred up in just about every female character in this book. Seung-Ah realized how much she cares about him. Ji-Ae realized how cute his butt looks in jeans (or something to that extent). He-Rae realized that her new boyfriend can hold his own against Gun in a fistfight, and that it's kinda fun playing them off each other. Mina realized that she still hasn't taken that damn bandage off her face. And then there was Sora. She's the new girl, and like all the others, she's kinda crushing on Gun. What's a popular guy to do? Well, let's find out, shall we?

...HGH.

OW...

LOOKS LIKE HE'S
COMING AROUND.

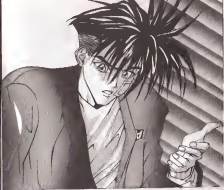

DO YOU
KNOW HIM?

WHERE...
AM I?
WHY AM I
HERE?

"WHY AM I
HERE...?"
DOES HE HAVE
AMNESIA?!

THAT'S
GOTTA
BE IT
ON, SOGA
LEO,
WHAT
SAID RON
WON'T

IF THAT'S
TRUE...

THIS IS ONLY
SUPPORTED TO HAPPEN
IN LIMITED CIRCUMSTANCES

OKAY. HAVING THIS IS
A GOOD THING. AS A
CONCERNED CITIZEN
OF KOREA... THIS IS
MY RESPONSIBILITY
TO HEAR!!

RON,
EH...

YES!!
THAT'S RIGHT!!

AFTER SCHOOL, I GOT
ON THE BUS WITH TAD-
MAN AND GUN-BOT...

I WAS TOTALLY
EXCITED-THOSE FINE
ASSES WHEN I GOT
ON IN THE BUS BY
SOMETHING...

SO MAYBE HE DOESN'T
HAVE AMNESIA.
WELL- THAT'S A RELIEF...

WE CAN'T JUST RUN OFF LIKE THAT

STAY ON IT SUSPECT

WE CAN'T SUSPECT PEOPLE WITHOUT PROOF

PUFFY DOG FACED!

I TOTALLY WAS NOT
EXPECTING HER
TO ASK THAT...

I FEEL BAD SAYING NO, BUT
I'LL JUST TELL HER "THERE'S
SOMEBODY I LIKE "...

THERE'S...

I'M EXTREMELY
SINGLE, SO LET'S
GO OUT, BABY!!

KEEEN!
"I'M EXTREMELY
SINGLE, SO LET'S
GO OUT, BABY?"
WHO EVEN TALKS
LIKE THAT? I
WAS GOING TO
SAY "THERE'S
SOMEbody
I LIKE..."

NOW COULD THIS
HAPPEN TO ME?!

FANTASTIC
LESSONS I COULD
TEACH YOU

In the next volume of

LIGHTS OUT™

What a twisted entanglement of emotional attachments!
What a lousy load of lovey-dovey ladies! What a
ferocious flurry of flying fists! What a kickass volume

of Lights Out! If this is our penultimate volume, what
sort of heightened hijinks does Shyung-Jin Lee have
in store for us in the grand finale? There's only one
way to find out. Pick up Lights Out Vol. 9 when it

hits stores in a few months. It's the final volume of
Gun's saga, and you just know that any series with a
protagonist named "Gun" is going out with a bang and
a flurry of bodies! Don't even think of missing it!
